WHEREAS:

- A. Semá:th (including “Sumas First Nation”, or “Sumas””) has an inherent right to self-government which emanates from our people, culture and land and which is recognized and affirmed by the *Semá:th Declaration of 2017*;
- B. Semá:th has taken control of Reserve lands and resources pursuant to the *Framework Agreement on First Nation Land Management* and has enacted the *Semá:th Land Code* effective the 11th day of November, 2011;
- C. Under section 6 of the *Semá:th Land Code*, Semá:th Council has broad authority to pass laws relating to the regulation, development and protection of Semá:th Lands, including the authorities under subsection 6.3 of the Semá:th Land Code to pass laws relating to zoning, land use, permits, fees for permits, the regulation, permitting and control of businesses on Semá:th Lands;
- D. The Government of Canada has legalized the production, transport, processing, sale and consumption of non-medical recreational Cannabis through Bill C-45, the *Cannabis Act*; and
- E. Council and the community support any cannabis businesses on Semá:th lands who are authorized. SFN Chief and Council determined that it is important to minimize the impacts of cannabis businesses on its Membership and ensure Semá:th benefits from the proceeds and sales of cannabis, and effectively regulate personal Cannabis consumption and cannabis related businesses and activities on Semá:th Lands, including the location, distribution, scale and density of cannabis cultivation, processing and retail facilities.
- F. The law was posted for 20 days in October 2020 with no objections from Band membership. Silence on matters acts as an aye rather than nay as per Roberts Rules of Order.

NOW THEREFORE, THIS SEMÁ:TH CANNABIS CONTROL LAW (“Law”) IS HEREBY ENACTED A LAW OF SEMÁ:TH.
