On June 14, 2019 Semá:th, Stó:lō Nation SRRMC, and Cold Water Ranch... organized a gathering at Lightning Rock to bring awareness, recognition and to distribute information on the sacred site and the historical significance of the area. The event was well attended with leaders, elders, and community members who supported the gathering with their presence and shared words of unity.

Thanks to the organizers, staff, cooks and all attendees! It was a great turnout.
