Calling all BC First Nations fishers and photographers...

The First Nations Fisheries Council is holding our photo contest! Grand Prize: \$250 Visa Gift Card – Deadline Friday, October 4, 2019

The FNFC photo contest is back! We're seeking beautiful First Nations fisheries-related photos to appear in our **2020 calendar**! Twelve winning photos will be chosen, and one GRAND PRIZE winner will be selected from among the 12 photos. The grand prize photo will be featured on the calendar's cover, and the photographer will receive a \$250 Visa gift card. Photographers who submit the other 11 winning photos will each receive a \$25 Visa gift card. All winning photographers will also receive a few free copies of the calendar.

Depending on the geographic range represented in the photo entries, we will aim to select photos from as many different regions across the province as possible. Please note: Whether or not your photo is selected for the calendar, by submitting a photo to the contest, you grant permission to the FNFC to use it publications, newsletters, communications, etc. (with credit to the photographer).

With each submission, please include the following info:

- Location where the photo was taken

A detailed plan is being drafted for the demolition of the Brick Plan, due to the danger of the structure. There will be more news to follow in the fall. We would like to have one more community engagement session to discuss the plans for demolition, remediation and future use of the site. Demolition is expected to begin in April 2020.

3 new member built houses are starting on Lakeview. These homes are funded from member mortgages through the On Reserve Lending Program. There are only a few lots left, and Housing is working on creating more. Anyone interested in the mortgage program to build a new house can contact Nancy Murphy in Housing on Thursdays and Fridays.
