Sumas First Nation Community Hall

A Candidate Forum will be held for those running for the 2025 Chief and Council Election. Time will be dedicated to each candidate to share their bio and express their interests. This will allow for Semá:th members to learn more about the candidates, build community, and encourage conversation surrounding the upcoming election.

If you would like to present questions to the candidates, we welcome all Sumas First Nation membership to submit general questions by end of day April 7, 2025. These can be submitted to the Governance and Policy Coordinator via email: Cheyenne.Ned@sumasfirstnation.com. All questions received will be processed by management and asked by random choice to the candidates during the Candidate Forum. We look forward to coming together to share an evening of respect, insight, and inspiration.

We encourage all candidates to submit their bio to our communications department via email: Communications@sumasfirstnation.com to be posted on our website and SFN media platforms. We respectfully request that you have these submitted at your earliest convenience.
